The mission of the Interdisciplinary Journal of E-Learning and Learning Objects (IJELLO) is to provide readers around the world with the widest possible coverage of developments in E-Learning and Learning Objects. IJELLO is an interdisciplinary forum that publishes high quality articles on theory, practice, innovation, and research that cover all aspects of E-learning and Learning Objects.

IJELLO is an academically peer reviewed Journal. All submissions are blind refereed by three or more peers. IJELLO is published in print by subscription and its articles also appear online free of charge on the web site http://ijello.org
